The theme this year is "Alleluia." "Alleluia" is the Greek or Latin version of the Hebrew "Hallelujah," which means "Praise Yahweh." In some of the most ancient early Christian worship services (and continuing today), the people sang the word "Alleluia" before or after the reading of the Scripture. This theme of the Choir Blast helps all of us to consider how we can praise God – through words and music, through silence, through service. . . We hope that you will invite as many people as possible to support our Choir. Of course, the concerts will be followed by our delicious food sale – salmon Bentos and yakisoba, and on Sunday, teriyaki chicken!
