Many have some knowledge of the massive incarceration of over 110,000 US citizens and permanent residents of Japanese descent in 1941. Few of us have seen exhibits and work of those illegally incarcerated or heard their stories.

We at *Berkeley Methodist United Church*, a historically Japanese-American Methodist Church invite you to a personal and close-up experience from those who were incarcerated at the Topaz Camp, and their relatives.

Open from 11:30 am – 1:30 pm on Sunday, Feb. 18, 2024.
