We thank you for your generous donation of your goods and services for our faith community's annual Bazaar Silent Auction. Berkeley Methodist United Church has served the Berkeley, Albany, Oakland, Emeryville, and extended communities for over 90- years. We provide necessities for those in our community who are living on the margins as well as those in our state who have been harshly affected by natural and human created disasters. We also offer space for community events, and provide community events in music and drama, along with providing weekly worship for all who are curious about how Biblical scripture can influence in a positive way, our societal well-being.

As an historically Japanese-American Church, we support and collaborate with many historically Japanese-American organizations to both celebrate and pass on the legacies of Japanese-American culture. We are an open inclusive faith community regardless of race, ethnicity, gender identity and sexual orientation.

Your donation will be impactful in our continuing work in our community and in the state. We are a non-profit organization exempt from Federal income tax under Internal Revenue Code 501(a) as described in IR Code 501(c)(3) which offers you the opportunity to make your donation tax deductible. Our Employer Identification Number is 94-1236953.

Donation given: _____

Thank you and blessings.

Shalom, Salaam,

Rev. Pamela Kurtz, Pastor
Berkeley Methodist United Church
